

LET'S ROCK FOR MUSIC EDUCATION!

For the third year in a row, Education Through Music-Colorado and Cervantes are coming together for a high-energy benefit concert featuring local bands and rallying the Denver community to bring music back to under-resourced schools.

The lineup features bands made up of professionals from companies and industries across Colorado. From workplace to stage, they show how music shapes creativity and collaboration while remaining a lifelong source of expression and fulfillment.

Join us and help bring a dedicated music teacher, instruments, performances, and a full year of joyful, high-quality music education to an entire school that would otherwise stay silent.
